Pursuant to its policy and service commitments, the University is proud to announce the Khazar University International Scholarship Program for 2018-2019 (further referred to as KUISP) extended to nationals of all countries without any limitation.

II. General Principles

The guiding principles of the program are as follows:

- All foreign citizens are eligible for KUISP.
- Applicants to bachelor, master and PhD programs are eligible to apply for KUISP.
- Every year two scholarships, each covering the cost of the full tuition fee, will be awarded to citizens of each country who apply to Khazar University programs.
- The scholarship is provided for one year subject to prolongation based on the academic performance of the grantee.
- The scholarship covers the cost of the tuition fee for one academic year, but does not cover living, travel or other expenses.
- Khazar University conducts evaluation and the selection of submitted applications via document screening and Skype interviews with shortlisted applicants. The details and the time frame of the selection are specified in the KUISP time schedule (Section IV below).
